

MANHATTAN

MUNICIPAL PAVER ■ ■ ■ ■

For all non-trafficable commercial and municipal pedestrian applications. Fully compatible with Firth commercial (80mm) Holland, Piazza and Forum pavers.

MANHATTAN COMMERCIAL PAVER

The Manhattan, inspired by the streets and skyline of New York, gives landscape designers a new linear format paver for creating sleek, modern surfaces for pedestrian zones, courtyards, pathways and patios. Combine with Firth's Forum, Piazza and Holland commercial pavers to produce visually stunning paving patterns.

- 400L x 100W x 80D 25 units per m²
- Weight - 7.0kg (1,680kg per pallet)
- No. per pallet - 240 (9.6m per pallet)
- Strength - 5kN* on 250mm span

Manhattan pavers are made-to-order (MTO) at Firths Christchurch masonry plant (min. order quantities and lead times apply).

The Manhattan paver can be combined with Firth's Pixel Paver to create permeable paving systems to assist with stormwater management.

Contact us or talk to your Firth Rep about stock availability in your area today.

*For pedestrian / non-trafficable applications only.
